FINEST SEED CORN IS FIELD SELECTED

S. T. C. EXPERT WOULD CO-OPERATE WITH THE FARMERS.

TELLS OF WORK IN IOWA

Hints Are Especially Timely Now, as the First Killing Frost for This Vicinity Is Due Very Soon.

It is the plan of the State Teachers' College to secure small amounts of seed corn from some of the best corn grown in the county and grow that by both ear-row and plat method. Farmers having good seed corn will confer a favor by letting the school have some of their corn.

In Iowa a test lasting several years was made in which seed corn, taken from the planter boxes of farmers in the state was planted side by side in the same field. Considerable differences in yields were found, due to no other cause than the quality of seed corn. This cause for poor yields can be eliminated. Good seed corn is easily worth ten dollars per bushel.

C. J. STIENSMEYER,
Instructor Agriculture, State Teachers College.

The great increase in the prices of Nodaway county land makes it imperative that the greatest degree of efficiency in production be attained in order that the increased yield may provide the increased return that is necessary. To this end, and because of the timeliness of the subject—the first killing frost for the vicinity of Maryville is scheduled for about October 12—Mr. Stiensmeyer has prepared the following hints for the selection of seed corn for 1920.

"The importance of selecting seed corn for the field before frost cannot be over-emphasized. One should not wait until corn husking time to select his seed corn because freezing may then have lowered the vitality of the seed, besides there are several characteristics of the plant which would not then be observed," says Mr. Stiensmeyer.

"Be certain to choose ears from an even stand and from plants that mature before frost. If the corn is checked there should be at least two stalks in the hill where seed is taken. Ears growing in a thin stand will be much larger than those growing in a regular stand; but it has been found that ears from a regular stand will be more likely to produce ears of desirable size and type than the larger ears from a thin stand.

Lower Ears Mature Earlier.

"The lower the ear on the stalk the earlier the maturity; for convenience, select ears of medium height. The shank should be of medium size and length and the ear should hang down. A large shank indicates a large cob, and an ear that stands upright is more likely to be injured by rains. Select from plants of medium height with short internodes, or distances between joints. This means more leaves for a given height of plant. The leaves should be broad. As the leaves manufacture the carbohydrates, it is imperative that the leaf system be as extensive as possible. The root systems of some plants are more extensive than that of others; however, it is not practical to try to determine this characteristic when selecting seed.

"Select ears according to type, and type will vary with the variety of corn. For example, one characteristic of Reid's Yellow Dent is that the ear is nearly cylindrical. In all varieties the tips and butts should be well filled and the rows regular. Up to a certain limit the more rows per ear the greater the yield. The ears should be as large as possible and still conform to type, but do not sacrifice type for size. The kernels should be regular in size, slightly wedge-shaped, and their edges should be nearly the same width near the tip as at the crown. They should

MORE EXHIBITS ARE GIVEN TO THE COMMERCIAL CLUB

Corn Specimens Coming In, Reid's Yellow Dent and Iowa Silver Mine Being Represented

Several additions have been made recently to the collection of Nodaway county products in the office of the Maryville Commercial Club.

Albert Daken of Skidmore has presented the club with an excellent ear of Reid's Yellow Dent corn twelve and a half inches long, with twenty rows of kernels, and sixty kernels in a row, making a total of approximately 1,200 kernels. It is a fine clean ear.

J. H. Gray of Maryville, who has a farm four miles northeast of Maryville, has on exhibit several stalks of Reid's Yellow Dent with two ears to the stalk. It was planted June 25, and Mr. Gray is now putting it up for silage.

Gaylord Dilts, living in Hughes township, brought exhibits of his Iowa Silver Mine corn, which was raised by him, to the Commercial Club today for exhibition. In the exhibit were two freak ears, one having four smaller ears grown to it.

ENUMERATORS FOR CENSUS SHOULD FILE APPLICATIONS

Nodaway County Will Have Two Enumerators in Each Township Outside of Maryville and Polk Twp.

Joshua A. Graham, census enumerator for this congressional district, requests that persons who wish to be census enumerators send him their names and addresses at once to his office in St. Joseph. Examinations for the service will be held in St. Joseph, and probably also at several other points in this district, late in the present month, the exact dates and places to be announced later.

"In selecting the enumerators," Mr. Graham said, "preference will be given to honorably discharged soldiers and sailors. The places are open to women, and a person under twenty-one years of age will be eligible, but he must be of mature judgment."

The number of enumerators for Nodaway county have not definitely been decided on, but according to present plans there will be two enumerators in each township outside of Maryville and Polk township. In Maryville there will be four enumerators, one for each ward, and in this township outside of Maryville, there will be three.

The work will start on January 2.

COUNTY COURT ACCEPTS BONDS OF THE TOWNSHIP COLLECTORS

Must Be Twice Amount to Be Gathered by Each; Payment of Bills Taken Up Today

The Nodaway County court spent much of yesterday afternoon, the first day of its regular October meeting, in approving additional bonds of collectors for the various townships. Several had been approved previously. The collectors are required to file bonds for twice the amount they are expected to collect. Those approved yesterday were as follows: Quintin Wilson, Washington township, $43,000; Roy Berkenboltz, Independence township, $62,000; C. H. Geyer, Monroe township, $42,000; George T. Wray, Hopkins township, $54,000; Paul Royston, Hughes township, $3,000; Noah Duncan, Green township, $46,000.

The court's time today was occupied with the payment of bills. It is expected that little further business will come up.

Slave Mentioned in Old Will.

A before the war will—befor the Civil War, that is—was being filed today in the recorder's office on account of a previous error in recording. It is that of Samuel Hepler of Rockbridge County, Virginia and is dated January 8, 1857. Some Nodaway County land is given to a daughter in the will, which is the reason it had to be recorded here. To the widow is given, in addition to the support from the home farm, the household property, two milk cows and a horse when she wanted one, the possession of "my black girl, Betty."

Will Take Course in Journalism.

Virgil Jackson of the News-Press reportorial staff, who served with the A. E. F. and lost his right arm in France, left Saturday night for New York, where he will take a two-year course in the department of journalism at Columbia university. He was accompanied by his wife.—St. Joseph News-Press.

Virgil Jackson is a brother of Warren Jackson, formerly secretary of the Maryville Commercial Club, and is well known in Maryville.

M. E. CHURCH WILL BUILD OR REMODEL

COMMITTEE IS ARRANGED FOR AT QUARTERLY CONFERENCE

PASTOR'S SALARY $3,000

Raise of $500 Made; Treasurer's Report Good; Reception For Old and New Superintendents.

At the first quarterly conference of the official board of the First M. E. church, held last evening, it was decided to appoint a committee with full power to act on either a new church building or to remodel the present building. This committee is to get architect's plans at once and is to take action at the earliest possible date. The committee had not as yet been appointed by the pastor, Dr. G. S. Cox.

The salary of the pastor of the church was raised $500 a year, making $3,000 and the parsonage. The report of Doctor Cox for the last conference year was presented. A total of $5,919 was given that year for benevolences. The treasurer's report was read. All bills have been paid and there is a good balance on hand with which to start the new year.

After the official meeting a reception attended by 150 people was held in the basement of the church to honor the new district superintendent, Dr. E. B. Thompson, and as a farewell courtesy to Dr. and Mrs. W. F. Burris, who will leave this week for St. Joseph, where Doctor Burris will be district superintendent.

Doctor Cox welcomed the new district superintendent, and Rev. Ernest Snider of Burlington Junction spoke words of appreciation for Doctor Burris. Prof. C. C. Leeson, on behalf of the official board of the church, spoke highly of the services of Doctor Burris. Miss Ruby Irwin, president of the Epworth League, presented a gift to Doctor Burris on behalf of the League.

Mrs. Gilbert S. Cox presented a gift to Mrs. Burris on behalf of the various women's organizations of the church. Doctor Burris responded to these addresses and words of appreciation.

CHARTER OF MARYVILLE POST OF AMERICAN LEGION ARRIVES

Meeting Called For Thursday Night to Form Permanent Organization and Elect Officers

The charter of the James Edward Gray Post No. 100 of the American Legion, which is to be the Maryville post, has been approved by the national headquarters of the legion and was received in Maryville yesterday. The state headquarters had previously approved it and assigned the number.

A meeting has been called for 7:30 o'clock Thursday night in the county court room of the court house in Maryville. All former service men are urged to attend, as the permanent organization will be formed and officers elected. A meeting was called for that purpose one Saturday afternoon not long ago had to be postponed because most of those interested were working and were unable to attend. It is thought that a night meeting will get a better attendance.

Ten or twelve extra applications have been received, in addition to those necessary to get the charter, and it is hoped that every former service man in the county will affiliate himself with this organization or with other posts to be formed in the county.

Fifty at Christian Social.

About fifty persons attended the business meeting and social of the Young Men's Bible class of the First Christian Church, held in the church last night. W. A. Blagg, Prosecuting Attorney, C. F. McCaffrey, Judge John M. Dawson, Rev. R. E. Snodgrass, and G. B. Roseberry talked. Music was furnished by an orchestra and by the church quartette, composed of Mr. Chapman, R. E. Snodgrass, Ed Goforth and Hal Catterson. Ice Cream, chocolate and wafers were served.

CHOSEN PERMANENT CHAIRMAN OF INDUSTRIAL MEETING

NO CLASH OVER STRIKE

Gompers and Gary Meet Amicably; Dependence, Not Independence, Urged by Speaker

Washington, Oct. 7.—Speaking today before the president's industrial conference, of which he was elected permanent chairman, Secretary of the Interior Lane declared capital, labor and the public have come to Washington to draft "a declaration of dependence, not a declaration of independence."

It was feared the first monkey wrench would be thrown into the works of the conference by the bringing up of the national steel strike. All principals in that industrial drama were present. The first meeting between Judge Gary and Samuel Gompers ended amicably, while hundreds of eyes watched. They ran into each other in the corridor. "Hello, Sam," said the steel king. "Howdy, Mr. Gary," replied Gompers. Both men passed on.

Washington, Oct. 7. — Representatives of the railroad brotherhoods are expected to make the Plumb plan an issue at the meeting of the industrial conference.

PRESIDENT HAS GOOD NIGHT; CONDITION IMPROVED TODAY

Further Gain For Executive Is Announced by Secretary Tumulty at the White House

Washington, Oct. 7.—President Wilson passed a very good night and his condition today showed still further improvement, it was stated by Secretary Tumulty at the White House today.

Washington, Oct. 7. — "The president's improvement has continued; his appetite is considerably better, and he is sleeping well." This encouraging bulletin was issued at 11:30 o'clock today by Admiral Grayson, his personal physician.

Well Known Hymn Writer Dead.

Sedalia, Mo., Oct. 7.—Rev. Daniel B. Towner, widely known evangelist, singer, hymn writer, is dead here at the age of 65 years. He was a former associate of Moody, the famous evangelist, and an elder in the Moody Church in Chicago. A widow and a daughter, living in Chicago, survive. Dr. Towner had written more than 2,000 hymns. Up until a year ago he was a director in the Moody Institute.

Blowout Causes Car to Upset.

Both right wheels were smashed, the top flattened and a fender jammed when a Ford car driven by Roland Holloway, a Maryville High School student, turned over with five occupants at the curve near the building of the State Teachers College yesterday afternoon. A blowout as the car was rounding the turn caused the upset. No one was injured, aside from a few bruises.

COLLEGE STUDENTS WALK OUT TODAY

BUT THIS IS ONLY IN FUN; IT IS AN ANNUAL CUSTOM

PICNIC EAST OF THE CITY

Program of Games Is Arranged; Fine Menu For Lunch; Dance Will Be Closing Feature

Headed by a band and streamers declaring for "less work and more E's" the students of the State Teachers College this morning entertained Maryville with a procession as they started out on their annual celebration of walk out day, which has become so much of an October custom at the college that even the teachers join in the fun. The special holiday program is being given in a grove east of the tunnel on the Burlington tracks, east of town and north of the state road.

One hundred and forty students participated in the walk out and most of the members of the faculty joined with them in their games and their picnic lunch this noon. The menu for the lunch was as follows: beans, pickles, buns, butter, weenies, potatoes, ice cream cones and cookies.

A good program of entertainment was arranged and is being continued this afternoon. This morning there was volley ball, followed by basketball, pass ball, three deep, Flying Dutchman, and Jacob and Ruth.

This afternoon there is a baseball tournament, participated in by both sexes. Six classes are playing games of two innings each. President Richardson is umpiring.

On the afternoon program also there is a series of surprise speeches, including an opening address by President Richardson; a recitation by Prof. H. P. Swinehart; a demonstration of sewing as taught by the college, by Robert Rice, coach of the football team; a demonstration of fall millinery, by Prof. C. C. Leeson; a demonstration of the qualities of a model housewife, by Prof. W. M. Wilson; a duet by Misses Beulah Brunner and Mildred Miller; and a closing address by W. A. Rickenbrode, registrar.

The celebration will close this evening with a dance in the college library, which will be open to the college students only.

Tires and Tubes Stolen.

The garage of Charles Harmon of Parnell was broken into sometime during the night last night and $200 worth of tires and tubes were stolen. The robbers gained entrance through the front door, the lock being broken. The tires and tubes were new ones and Mr. Harmon received them only yesterday. There is no trace of the robbers.

Prosecuting Attorney Charles F. McCaffrey was a business visitor to Grant City this morning.

U. S. MAY ARRANGE TO SETTLE STRIKES

GOVERNMENT CLEANING HOUSE FOR DISPUTES IS PROBABLE

LOOK INTO STEEL MILLS

Members of Education and Labor Committee of Senate Visit Pittsburgh to Study Conditions There

Washington, Oct. 7.—A government clearing house for industrial disputes will probably be one of the results of the investigation of the steel strike by the senate education and labor committee, Senator Walsh of Massachusetts member of this committee declared today.

Pittsburg, Oct. 7.—Chief interest in the steel strike today is centered on the visit here of the senate education and labor committee. Elaborate preparations have been made by the strikers for presentation of their grievances and the announcement from Washington that the senators would go personally into the mill sections to look over conditions was pleasing to the strikers, who believe it would help their cause. Every plant in the immediate Pittsburg district is operating today, according to steel officials. According to latest figures at strike head quarters here, 367,500 men are on strike over the country, this being a gain of more than 88,000 over last reports.

Buffalo, N. Y., Oct. 7.—A thousand steel strikers from the Lackawana company discussed their cause with the Buffalo and Lake Erie traction company on the Hamburg turnpike between the city of Lackawana and the Goodyear shop this morning. As a result of the riot, two were shot and badly beaten. The state police dispersed the crowds.

Gary, Ind., Oct. 7.—More than five thousand striking steel workers and sympathizers are preparing to hold a great mass meeting and parade late today regardless of the orders of General Wood, in charge of the federal troops on strike duty here.

CHANCE FOR STATE'S COWBOYS; TEXAS STEERS BREAK LOOSE

Ten Still Running Wild in Missouri After an Attempt Is Made to Drive Them to Water

Allenton, Mo., Oct. 7.—The station agent here is considering calling to his aid a bevy of cowboys, if they can be found, to round up ten longhorn Texas steers, now running loose some place in the vicinity. They are the remainder of thirty-two longhorns which the claim agent inadvertently turned free several years ago.

The carload of steers was shunted onto a siding at Allenton, and the agent scratched his head while he considered the proposition of carrying water a mile from Tom Creek for the thirsty longhorns. Finally he evolved a scheme. Instead of bringing the water to the longhorns, he would take them to the water.

But water was the idea farthest from the minds of the longhorns when their freedom was gained. They wandered just around to smell the National stockyards, where they were doomed to become steaks, and off they went in all directions.

Section gangs and an irate railroad claim agent with a lariat in two days succeeded in rounding up and coralling twenty-two of the steers. But the rest are still going.

Same Case Still in Progress.

The case of Bertina H. Broyles vs. James T. Simpson for ejectment, which came here on a change of venue from Andrew County, was up in court all day yesterday and today and will reach the jury late this afternoon. The damage case of Emmett Herndon vs. A. J. Roof, James F. LaFavor and town of Parnell, was settled and dismissed.

Pitfalls of the Dance Are Exposed, From John the Baptist to Present

Rev. G. E. Kennedy, Baptist Evangelist, Declares That It Is Always Dangerous, No Matter Where or by Whom It Is Done; Also Holds That There Is Little Difference Between Playing Cards For a Prize and Shooting Crap In the Alley.

That the question of the dance is yet debatable was attested by the large crowd that greeted Evangelist G. E. Kennedy last night at the Baptist church.

"I have never known a dying soul to call for a dancing Christian to administer spiritual consolation," said Rev. Mr. Kennedy. "They havenu't got any confidence in dancing Christians.

"John the Baptist lost his head at a dance. The young girl that danced lost hers. There are a lot of Christians, so-called, who have lost their heads at a dance.

"Some folks try to quiet their consciences by trying to prove that the Bible encourages dancing. They were never engaged in by both sexes together. If ever engaged in at all, it was by men alone and women by themselves.

"Some folks seem to think, in their ignorance, that the Catholic church and the Episcopalian church endorse the dance. They are as mistaken as they can be.

"Where are your young people in Maryville today? They certainly are not in your churches.

"Tell me why it is that every great preacher of spiritual religion has come out flat-footed against the dance?—Spurgeon, Beecher, Moody, Sam Jones, Gipsy Smith, Billy Sunday? Preachers who countenance the dance and who do not lift up their voices against it never build up spiritual churches. Whenever I hear a man justifying a dance I know what is the matter with him—he wants to hug some woman.

"Baptists are not the only folks who oppose this curse to modern society.

"If it is right for the church members to dance, then by all means let the preachers dance. You would not tolerate it in your preachers for a minute.

"Thank God, there are a lot of men who are not Christians who see the shame of dancing. I am ashamed of the Christian who has a lower standard of morals than the non-Christian.

"There isn't much difference in the exclusive dance and the public dance. High society furnishes material constantly for low society. You can't exclude the devil because of invitations to the few. When a woman plays for a prize in her home she is as much a gambler as the negro who shoots craps in the alley. The parlor dance, the high school dance, the college ball are but kindergartens for graduation to the public dances.

'I've as much respect for a bartender or saloon keeper and would as soon have them in my home as for the dancing master, male or female.

"Some parents are deceived by the senseless talk that dancing makes their daughters graceful. I would rather my two daughters go through life as awkward as a cow and go to glory than to dance gracefully into hell.

"Over and over parents say, My daughters dance with nice young men. Don't you believe it for a minute! Just because these fellows dress well and come from good homes, don't you be fooled.

"Girls, don't be hugging-posts for a lot of immoral men, even if they do wear good clothes and come from the best families in town! Men rarely marry the best dancers in town when they want a good woman for their wife and a virtuous mother for their children.

"The dance is the fringe of hell. Many who are on the fringe get dizzy and fall in."

Rev. Mr. Kennedy will preach tonight on "The Wages of Sin."

Rev. Harlan to National Convention.

Rev. S. D. Harlan will not preach at Palestine next Sunday. He will leave the last of the week for the national convention of Christian churches at Cincinnati, Ohio, so as to be present at the Restoration Congress, which meets Monday morning.

Mrs. J. B. Robinson and son, Theodore, Mrs. T. L. Robinson and Dr. and Mrs. Charles Bell motored to St. Joseph yesterday where they spent the day.

Talk of High Cost of Medicine.

"Although I paid only $2.00 for 2 bottles of Mayr's Wonderful Remedy I wouldn't take $100 for what 2 doses have done for me. My partner also has taken a dose with wonderful results. He was threatened with an operation for stomach and bowel trouble and is sure he will be all right now. We both suffered from indigestion and bloating with gas." It is a simple, harmless preparation that removes the catarrhal mucus from the inestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Pharmacy and druggists everywhere. ADV.

HOG PRICES HIGHER, CATTLE STEADY, ON THE K. C. MARKET

Demand For Hogs and Sheep Active, But Large Receipts of Cattle Weakened Trade Somewhat

Kansas City Stock Yards, Oct. 6.—Hog prices were 25 to 40 cents higher today, sheep strong to 25 cents up, and cattle steady to 25 cents lower. Demand for hogs and sheep was active, but liberal receipts of cattle, 37,000, the largest supply this year, had a weakening influence in the trade. The volume of business in the cattle pens, however, was large.

TODAY'S RECEIPTS.

Arrivals today were 37,000 cattle, 11,000 hogs and 10,000 sheep, compared with 35,000 cattle, 10,000 hogs and 15,000 sheep a week ago, and 41,800 cattle, 16,350 hogs and 19,300 sheep a year ago. The bulk of the cattle came from Kansas, Oklahoma and Colorado. Receipts from the Panhandle and the southwest were moderate. A train load arrived from Utah.

BEEF CATTLE.

Several loads of choice heavy Missouri fed steers sold at $16.25 to $17.50 and wintered Kansas grass fat steers $14.00 to $14.50. They were quoted steady. Grass fat steers sold slowly and were 10 to 15 cents lower. Cows and heifers were quoted off 15 to 25 cents. Cows sold mostly at $6.50 to $9.25. Veal calves were steady. Though trade seemed dull the movement over the scales was large and the feature of the trade was that the supply moved in big bunches.

STOCKERS AND FEEDERS.

Stock and feeding cattle were in liberal supply and sold 15 to 25 cents lower. Country demand was about the same as a week ago. A ten car bunch of 825 to 850 pound Colorado steers sold to country buyers at $10, and the bulk of the thin cattle brought $8.75 to $10.50. Some fleshy feeders sold at $12.25. Stock cows and heifers brought $6.50 to $8.50 and stock calves $8 to $12.50.

HOGS.

Though hog receipts were fairly liberal, trade was active with prices 25 to 40 cents higher. The top price was $16.70 and the bulk of the offering sold at $16 to $16.60. Packers were the leading factor in the trade and bought the bulk of the supply. Today's prices are 60 to 75 cents above the low point of last Thursday. Demand for pigs continued active at $15 to $16.50.

SHEEP AND LAMBS.

Fat sheep and lambs were quoted strong to 25 cents higher and stock and feeding grades firm. The bulk of the offerings were feeders. Western lambs of fair quality sold up to $15.75. Prime grades would have brought $16.15 or better. Native lambs brought $15.65. Feeding lambs sold at $12 to $13.

Coffin Workers Go on Strike.

St. Louis, Oct. 7.—What is said to be the first strike of coffin painters and decorators in St. Louis is on at the plant of the St. Louis Coffin Co., of which Governor Gardner is president. The men demand an increase of ten cents an hour. They are now getting forty to fifty cents.

Mrs. Charles D. Bellows and Miss Nellie Douglas spent yesterday in St. Joseph.

Social, Clubs Churches

P. E. O. Meeting.

The first program of the year of the P. E. O. Chapter will be given Saturday afternoon at 2:30 o'clock at the home of Miss Mary Q. Evans. Miss Nell Hudson will be the leader of the program on "Under Open Sky."

Meeting Postponed.

The meeting of the Young Ladies' Missionary Society of the First Methodist Church has been postponed from tonight to Thursday night, when it will be held at the home of Mrs. N. H. Brown on West First street.

For Mrs. Jones

The Royal Neighbors will give a reception Thursday at the home of Mrs. Charles E. Jones as a farewell courtesy to Mrs. Jones, who will leave soon for a residence elsewhere. The regular meeting of the lodge will not be held this week on account of the reception.

Davis Dinner Guests.

Mr. and Mrs. Woodro Davis and family entertained Sunday with a 1 o'clock dinner. The guests were Mr. and Mrs. Marve Curnutt and baby daughter, Marjorie Matter, Miss Gladys Wray, Mr. and Mrs. Currie Farmer and Joseph Jackson, Sr.

For Miss Fraser.

Mrs. Eldon Irvin and Miss Marie Reuillard gave a movie party at the Empire theatre last night in honor of Miss Allie Jean Fraser, an October bride-elect. A two-course luncheon was served at Reuillard's after the performance. A pink and white color scheme was used, and a minature bride and bridegroom, encircled by a wreath of sweet alyssum and tiny pink asters, centered the table. The heart-shaped ices and other appointments were in pink and white, and covers were laid for those who were in attendance at the announcement party. The hostesses presented the honor guest with a bride's book.

District Convention.

Mrs. M. G. Tate, Mrs. E. G. Orear, Mrs. Arthur A. Brewer and Mrs. F. S. King will go from Maryville to the first district convention of the Federation of Women's Club to be held tomorrow and Thursday at Bethany, Mo. Mrs. Tate is president of the district, Mrs. Orear is district chairman of literature and reciprocity, and Mrs. Brewer, president of the Twentieth Century Club, and Mrs. King, will represent that organization. Mrs. Henry N. Ess of Kansas City will address the delegates, as will Mrs. W. K. James, Mrs. R. A. Brown and Mrs. A. A. Myers of St. Joseph, Mrs. Hawley of Chillicothe and Miss Mabel Ranson of Brookfield, who was sent overseas by the national organization to do war work. Miss Katherine Cranmer of St. Louis, sent out by the government, will speak on "Thrift." A luncheon Wednesday noon will be the first social affair and other entertaining features will be a tea at 5 o'clock Wednesday afternoon at the home of Mrs. Miner and a reception Wednesday night in the Masonic Hall.

Benefit Association Picnic.

The first social affair of the Benefit Association of the Yehle Dry Goods store was a weinie roast at the College park last evening. The picnic was in charge of the recreation committee, Misses Gertrude Condon, Ina Hallowell, Charity Wiseman and Prudye Saunders. Among those present were Mr. and Mrs. Conrad Yehle and sons, Ralph, Cleo and Carlos, Mr. and Mrs. John Schwartz, Mrs. Blanche Lawler, Mrs. J. E. Lovell, Misses Epha Drumm, Doris Goforth, Gertrude Condon, Verna Crosby, Addie Yeo, Ethel Muntz, Katherine and Theresa Yehle, Leora LeShazer, Prudye Saunders, Ina Hallowell, Faye Castillo, Jennie Evans, Marie Cook, L. B. Tracy and Joe Price.

Entertained at "Kenwood."

Mr. and Mrs. J. C. White entertained with a dinner recently in honor of Grandma Kennedy, her children and grandchildren. "Kenwood" is the old Kennedy homestead, Mr. Kennedy having bought the estate from the government some seventy years ago. It was to this home that Mr. Kennedy brought his bride so many years ago. Here their children grew to manhood and womanhood, married, and scattered far from the old homestead.

A most enjoyable day was spent by the following guests: Grandma Kennedy, Mr. and Mrs. John Kennedy, Mr. and Mrs. Newt Kennedy of Bolckow, Mr. and Mrs. Ward Miller of St. Petersburg, Fla., Mr. and Mrs. N. Taylor of Dinsmore, Mrs. Belle Booth, Mr. and Mrs. Delbert Vert, Mr. and Mrs. Orville Willhoyte, Mr. and Mrs Marion Trullinger, Mrs. M. J. Willhoyte, Mr. and Mrs. Arch Willhoyte, Mr. and Mrs. W. A. White, Mr. and Mrs. Ernest Willhoyte and son, Benjamin, Mrs. Earl Trullinger, Wilfred White, Miss Clydell White and Frank Pieee.

Grandma Kennedy remembers much of the early days of Nodaway when the country was new. County court was held in a log cabin, the Indian was the American native and many white people the foreigners, the deer roamed the grassy hill sides and the quail were so tame they came to the doorstep to pick up the crumbs she shook from her table cloth. What changes this mother has lived to see in the span of her life time! And yet she tells us happiness is not found in the multiplication of our want but in the simplification of them. The sweetest delights are the common possessions of mankind, the caress of the sun, the breeze on the hills, music, the stars, faithful friendships, wholesome labor and honest love.—Contributed.

Miller Dinner Guests.

Mrs. Katherine Miller entertained last evening with a 6 o'clock dinner at her home on West Second street. Covers were laid for the Rev. and Mrs. W. F. Burris and son, Francis, Mrs. Sarah Crosby, Mrs. J. S. Ford and the hostess.

Engelmann-Buschmeyer Wedding.

Announcement has just been made of the marriage of Alfred Engelmann of this city and Ida Buschmeyer of Newman Grove, Neb., which occurred at the Engelmann residence, south of September 25. The couple are at home at the Englemann residence, south of the Engelmann greenhouses.

To Observe Birthdays.

Nathaniel Sisson was the host at a dinner this noon, entertaining in honor of the birthdays of his son, Paul Sisson, and J. T. Hughes. Plates were laid for Mr. and Mrs. Paul Sisson, Mr. Hughes and the host.

Holmes Dinner.

Mr. and Mrs. G. B. Holmes, Sr., will entertain at dinner this evening in honor of the Rev. G. E. Kennedy, who is conducting revival meetings at the Baptist church. Plates will be laid for the Rev. Kenendy, the Rev. and Mrs. W. C. Ferguson and son, Fred, Mrs. Susan Helwig, Misses Katherine and Orril Helwig, Miss Lucile Holmes and the host and hostess.

Comets Beat Conception College.

The Maryville Comets went to Conception Sunday, where they played the college team; winning by a score of 6 to 2. Myers pitched for Conception, Bluel and Tobin made up the battery for Maryville. It is expected that the Comets will play Clearmont at Clearmont next Sunday. There probably will be no more games in Maryville.

To Visit Storms.

Mr. and Mrs. Arch Frank and daughter, Eva Margaret, will leave tomorrow morning for Okmulgee, Okla., where they will be guests for ten days of Mrs. J. W. Storm, Miss Mabel Storm and Fred Storm.

Who Will Handle Your Property?

when you are gone? It isn't pleasant to think of death, but it is necessary, and if you have property it is well to take up the matter of its legal distribution with men who have made a life study of the administration of esates.

The officers of the Farmers Trust Company will give you their personal service in helping you plan the distribution and management of your estate, giving you the benefit of years of experience and the help of men trained in every necessary legal procedure.

Men die, but a trust company does not—neither does it move away, but continues to perform its duties as long as they are required.

The Farmers Trust Company acts as executor, administrator, guardian or holder of trust estates, performing these duties with efficiency and integrity unquestionable.

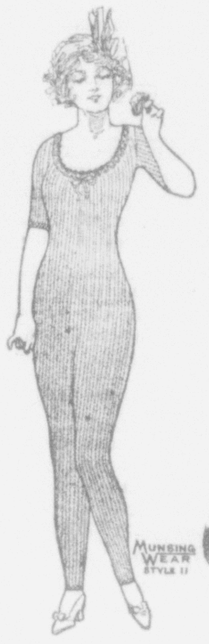
Munsingwear Comfort

The fall season is upon us. The cool snappy mornings and evenings demand that we put on warmer undergarments. Therefore, we recommend that you make your selections of Munsingwear now and be fully prepared for the colder weather which is not far in the distance.

It is worth something to you to know that when you buy Munsingwear in a certain fabric, you can depend on its being indentically the same quality this year and next as it was last year and the year before—even though you have to pay more.

The fact is that Munsingwear prices have not kept pace with the increased cost of materials, because the savings resulting from the enormous production and purchasing power of the Munsingwear Mill are passed on to the public



Our new Fall and Winter stock of Munsingwear for women and children is now on display in the west aisle. You will find a style and weight that exactly meet your requirements. Prices are very moderate in comparison with the quality.

be deep and plump and the indentation should be pronounced. Ears with smooth or nearly smooth kernels are 'running out.' Kernels with little or no indentation are shallow compared with those of considerable indentation. The roughness of indentation is a matter of individual choice, but too rough ears are not considered desirable; however, they are not 'running out.'

Store Corn Carefully.

"Store the corn in a dry, well ventilated place not exposed to excessive moisture. Seed corn that has been exposed to moisture and freezing may grow, but it will lack vitality. Seed corn can easily be hung up with binding twine.

"It is known beyond question that seed corn grown in a community is better than seed brought from a distance, primarily because it is acclimated, and also because one is not always certain what he is getting.

"A good plan would be for every farmer to have a seed plat on which he could raise his seed. Each year he would select a few of the best ears to replant the plat and use the remainder for general planting.

"If one has the time, it would be well to try planting a small amount of corn each year, using the ear-row method, though this is really a job for experiment stations. No one can tell the prepotency of an ear of corn until it has been tried out; it may have all the characteristics of a desirable ear and still not yield as expected. The only way to be certain of an ear is to plant it in a row by itself. In carrying out the ear-row method, plant only a part of each ear and keep the remainder; then when ears of high yielding qualities are known they can be planted in rows side by side so that there will not be the danger of crossing with a poor yielding strain. The parts of ears kept showing good yielding qualities would be planted the second year."

Mr. and Mrs. Ira O. Kelley, Mrs. John Green and baby, living near Pickering, were in the city Monday.

U. S. DEPARTMENT TO HANDLE ALL APPEALS ABOUT WHEAT

Former Rule Applying Only to Interstate Shipments Changed, So That All May Be Graded

Washington, D. C. Oct. 7.—Effective immediately the United States Department of Agriculture will handle all wheat appeals from licensed inspectors grades on intrastate as well as interstate transactions. Formerly, under the grain standards act, wheat was required to be shipped or delivered for shipment across the state lines before an appeal could be taken to the Government.

The new arrangement has been made by the Secretary at the urgent request of Julius H. Barnes, United States Wheat Director, and is effective under authority and during the continuation of the Food Control Act, the Wheat Guaranty Act, and the Executive order of May 14, 1919. Mr. Barnes stated that it was necessary to have the appeal privilege on all wheat whether interstate or intrastate in order to make the gurantee good to the purchaser of wheat everywhere in the United States.

Pursuant to this agreement Federal Grain Supervisors in all the large markets of the United States have been instructed to entertain all wheat appeals.

Accused of Defrauding Government.

St. Louis, Oct. 7.—Charles F. Beck, described as a "government disbursing agent," is under arrest here, charged with embezzlement of approximately thirty thousand dollars from the railroad administration. His arrest will be followed, Federal officials declared. By the arrest of several minor railroad officials on charges of conspiring to defraud the government. The speculations, it was said, was in connection with the sale of damaged automobiles and other damaged freight

ACTION AGAINST PROFITEERS IS EXPECTED VERY SOON

Fair Price Commissioner for Missouri Will Appoint Committees to Work All Over State.

St. Louis, Oct. 4. — Definite action toward organized state-wide war on profiteers in an attempt to reduce the high cost of living is expected by the middle of next week. Circuit Attorney McDaniel, recently appointed fair price commissioner for the state of Missouri, is to confer with U. S. Attorney General A. Mitchell Palmer, when the latter visits St. Louis today. Mr. McDaniel will obtain final instructions from the Attorney General and will immediately, be announced, appoint a fair price sub-commitees in all sections of the state. These committees will cosist of four persons each—one representing the general public, one the wholesaler, one the retailer, and a representative of the housewives. These committees will hold weekly meetings and report all cases of profiteering to Commissioner McDaniel, who, in turn, will report them to the department of justice in Washington.

Will Adjust Missouri Insurance.

Jefferson City, Oct. 4.—The probabilities are that the bureau of War Risk Insurance will detail a representative to come to Jefferson City to adjust the insurance policies of about 140,000 Missourians who served in the army, navy or marine corps during the war. R. G. Cholmeley Jones, director of the bureau, has written Governor Gardner a letter in which he makes the above offer, and it is expected that the state will take advantage of the proffer, as, according to the letter, there exists a great deal of dissatisfaction and misunderstanding despite the efforts of the bureau to clear up the policies.

Friday, October 17, 1919

1:00 P. M. at Gray's Sale Pavilion.

Will offer—I fall yearling boar, 1 fall yearling sow, 41 spring boars, 30 spring gilts.

They are big and stretchy, with very heavy bone, and lots of quality. All bred by us, and from a long line of 900 to 1000 lb boars, and 700 to 800 lb sows.

We have been breeding Polands for 27 years, have never believed in booms or fads, and have always stuck to a type of hog as big as we could get them, and still hold good feeding and quick maturing quality.

They are the kind that will do any farmer or breeder good, and we expect them to sell at prices at which any farmer can own them.

Send at once for our catalogue, and read our unusual mail bid offer.
